Dennis and Jerry -

Do you think you could update the attached issue paper? I took a stab using "track changes".

Bob Pericasepe is being briefed for next week's ECOS meeting and we thought he should have updated information on this topic.

If you could send me any edits by tomorrow morning (around 9), I'll get this in the pipeline for Shawn to review so we can get it to HQ. Don't worry about formatting - I can do that.

Thanks so much!
Jennie
